RENNIE'S SEEDS FOR CANADA

It requires no talking or persuading to sell them,
as they "sell themselves."
They are the most profitable to grow.

It is a well known fact that the vegetables and
flowers Rennie's Seeds produce are as
near perfection as can be grown.

RENNIE'S GARDEN SEEDS IN PACKETS ARE THE MOST ATTRACTIVE IN THE TRADE AND ARE
RELIABLE.

Rennie's Assortments for Merchants

The varieties put up in our Assortments are selected especially for the locality in which they are to be sold; they are
always of the **New Crop**, and a reputation of forty-eight years' standing is a guarantee of their **Reliability**.

| No. 5. | Contains 250 Packets of Flowers only. | Price, \$7.50. |

We ask Merchants to give our Seeds a prominent place on their counter **during the Selling Season** in order to secure
the **best possible returns**. Remember, all **unsold packets** are **returnable** at the end of the season, and will be
credited at invoice price. Cabinets are included in above assortments.

**WEEKLY
TRADE
PRICE LIST**

A complete list of Clovers, Timothy, Grasses, Forage Plant Seed, Seed Corn, Oats, Wheat,
Barley and Peas, Onion Setts, Seed Potatoes, Poultry Supplies, Bibby's Calf Meals,
Feeding Stuffs, Bird Seed, Insecticides, Fertilizers, Etc., will be found in our Trade Price
List, issued weekly throughout the season. Merchants desiring the latest quotations should
write us when ready to buy.

NOTICE

These tentative prices will afford a working basis only and are subject to change without notice.

The abnormal conditions prevailing in the Seed world, caused by failure of Seed crop in many localities, the extreme hazards, uncertainties and delays incident to shipping and rail transportation, force us to adjust ourselves to the situation; therefore we urge our customers to anticipate their wants in advance and order promptly.

TO THE TRADE

TORONTO, January, 1918.

VERY IMPORTANT—ORDER EARLY

SEASON 1918—Owing to the uncertainty of crop deliveries and the shortage of labor in Britain and France, caused by the **WAR**, we can only accept orders on **War Conditions**. At the same time, we anticipate but little trouble in this respect, and **our customers may rest assured that we will do our utmost to please them in every way**. We grow as many varieties of seed locally as possible, but rely on Britain and France for a few varieties which mature to greater perfection in those countries.

PACKING AND SHIPPING.—Bags, etc., necessary for safe transportation of goods, will be furnished at value and **are not returnable**. With every order shipping instructions should be given. When no route is designated, we use our best judgment, but in no case do we assume any responsibility for freight shipments after goods are delivered to Transportation Companies in **GOOD ORDER**. **Should any loss occur** by reason of accidents or delays, **make notation on freight receipt** and claim should be made upon Transportation Company at once.

SEEDS BY MAIL.—Seeds will be sent by mail when desired. As they require special care in packing, postage and packing is charged extra.

CONDITIONS OF SALE.—We wish it to be distinctly understood that we give no warranty, expressed or implied, as to description, quality, productiveness, growth, or any other matter connected with any seeds (or bulbs, plants and shrubs), we send out, and we will not be in any way responsible for the crop. Every order received will be executed on these conditions only, and without engagement as to quantity where crop failure reduces expected supply.

TRADE DISCOUNTS FROM RETAIL PRICES.—Orders taken from Rennie's Seed Annual for 1918 will be charged (**to merchants only**) at the following rates of discount from retail prices:

Seeds in our plain printed Packets (when three packets or more of one sort are ordered), Vegetables and Flowers, **40% Discount** (on smaller quantities and Novelties, we allow 25%).

General Orders for Vegetable, Flower and Field Root Seeds, by weight, **Bulbs and Plants, also Onion Setts**, and other seeds at "Retail Catalogue prices," **20% Discount**. Prices on packets and ounces are postpaid.

TERMS.—To regular customers and well-known houses of established credit, **ALL BILLS ARE DUE JUNE 1ST, 1918**, without regard to date of purchase, or a discount of one per cent. per month on unexpired time, when paid before maturity. **Clover, Timothy, Grass Seeds, Onion Setts, Seed Grain, Seed Potatoes, Feeding Stuffs, and such articles as are quoted in our Weekly Trade List, are SPOT NET CASH, without and discount whatever, payable at par, Toronto**. Any claims for allowance, errors or credits must be made within ten days after arrival of goods, or they will not be considered. Overdue accounts must be paid prior to shipping further orders. **New customers will please furnish satisfactory references or send cash with order, otherwise goods will be shipped subject to Sight Draft, B/L attached**.

All goods ordered or shipped by our **Montreal or Winnipeg Branches** are payable at our **Head Office, Toronto**, in Montreal, Winnipeg or Toronto funds.

WEEKLY TRADE PRICE LIST.—We issue each week throughout the Seed Selling Season, card quotations for Clover, Timothy, Grass Seeds, Seed Grain, Onion Setts, etc., and all fluctuating varieties of Seeds, which will be mailed to merchants upon application.

GOVERNMENT SEED ACT.—**Grades must be Branded**. The Government Seed Act requires that all Clovers, Timothy, and Alfalfa Seed must be branded according to the grade numbers 1, 2 or 3 quality standard set by the Government. The sale of these seeds is prohibited unless grades are branded as above. **Our Branded bags must not be refilled**.

Germination.—Vegetable and Field Root Seeds must germinate up to a standard set by the Government. This Act applies to all seeds whether sold in packages or in bulk.

Papered Seeds must be Dated.—All Garden Seeds, including Vegetables and Flowers, in packets, known to the trade as "Papered Seeds," must be dated with the year in which the packet was filled before it leaves the premises on which it was filled.

FLOWER SEEDS

VERY IMPORTANT

Owing to the uncertainty of crop deliveries and shortage of labor in Europe caused by the War, we only accept orders on war conditions. At the same time we anticipate but little trouble in this respect, and our customers may rest assured that we will do our utmost to please them in every way.

CONDITIONS OF SALE.—We wish it to be distinctly understood that, although we take every possible precaution to supply only the highest quality seeds, we give no warranty, expressed or implied, as to description, quality, productiveness, or any other matter connected with any seeds we send you, and we will not be in any way responsible for loss arising from failure thereof. Every order received will be executed on these conditions only.

"Government Standard" Seeds

We offer the following varieties of vegetable and flower seeds in handsome natural colored packets. These packets are not to be confounded with the cheap ones usually sold. They are put up fresh by ourselves, of our best seeds, and contain much more seed than is generally supplied in such papers.

The Seed Control Act respecting the sale of these Papered Seeds, requires that each Packet bear the date of the year in which it was filled. Merchants will find our Papered Seeds always comply with the Government Seed Act.

Merchants who run short of any of the varieties during the season can have them duplicated by return mail postage paid. We CANNOT SUPPLY other varieties than the following on commission. Varieties in heavy type are leading varieties.

See Inside Front Cover.
